

~~DCivR 77-3 WAIVER OF NOTICE OF ORDERS ENTERED IN RESPONSE TO STIPULATIONS~~

Approved by the rules committee on October 14, 2008.

Published for comment on the Court's website February, 2009

Reporter's Note: This rule was enacted in the pre CM/ECF days and was intended to decrease the copying and mailing responsibilities of the clerk's office. With electronic filing, all efilers receive Notices of Electronic Filing and electronic copies of the order. The clerk's office mails out orders to non efilers but the volume is no longer a burden.

~~When an order is issued under a written stipulation by the parties or their attorneys, or when an order is made in open court in the parties' or their attorneys' presence, the requirement for the clerk to mail notice of entry of the order under Fed. R. Civ. P. 77(d) will be deemed waived by parties unless such mailing is specifically requested.~~
